Location

Closer Than Ever

Every aspect of Ever East is carefully curated around residents’ convenience. The forward destination is thoughtfully located at the very heart of Cairo’s East side, bringing residents the best of all worlds, thanks to its ideal proximity to both the New Administrative Capital and New Cairo.

Ever East can be effortlessly reached from the Ring Road and is seamlessly interconnected to Ain El Sokhna Road for a hassle-free living experience. The iconic development is surrounded by thriving residential communities while granting residents direct access to all of the Fifth Settlement’s leading educational and financial establishments, unfolding in every direction.
