OF
CREATIVITY
AND
UNIQUENESS

Edrees Innovations is our compass that gathers information and studies human lives deep enough to understand their basics and majors. Anchored on five main goals to save human time, manage their expenses, set them effortless entertainment, reduce their daily efforts, and to set the balanced formula of affordable desired living and come up with genuine testimonials that enhance human lives, to finally guide us towards the right initiatives that contribute to better human welfare.

Primarily

SELECTED, HIGHLY POSITIONED

Along the coastline of the charming new Sahel, find our land elevated on the luxurious shore of Ras El-Hekma, where it only takes you three hours to arrive from Cairo to D.O.S.E at the 174th km to enjoy the finest aqua blues and softest golden sands ever found. Just 13 kms away from El Alamein airport, draw your first footprints on 125 acres of land, where every inch is saturated with happiness and indulgence to make your departure mission your last option.

About

D.O.S.E

OF HAPPINESS AT

Sahel

Discover a world of happiness, built on a concept to stimulate the four hormones responsible for producing happiness inside our brains. Here's a stimulation inside our brains on how these four wonders work;

Dopamine

is the rewarding chemical that's released once you do something you want or savoured for too long.

Oxytocin

is that magical hormone released upon physical interaction and loving moments.

Serotonin

is the praising hormone that's released upon self-loving activities and exposure to nature.

Endorphins

are the most powerful natural painkiller ever found, it's what pushes us beyond our limits.

STEP CLOSER

A Haven

AWAITS YOU

We feel you. We know how tired you are, and the tons of daily duties you have that blow your mind. Sometimes you wish to press pause and mute this loud world, breathe, and recharge. Your feeling is normal and even supported by studies, that you require frequent vacations from the moment you desire till the moment you've had enough, to maintain your life balance and happiness, and here comes our turn.

D.O.S.E OF HAPPINESS

GET A

Taste

OF IT

Fly. Let yourself live the full experience of a vacation planned by experts who drew lines of happiness to pamper you, break your routine and take you to a world of euphoria. As we studied every inch of your mind to understand where happiness originates; we found out it speaks of chemicals that mirror different kinds of happiness on our faces, a powerful D.O.S.E formed of Dopamine, Oxytocin, Serotonin, and Endorphins. We will make sure that through every step you take, you get a natural boost of happiness hormones through indulging in tailored activities and services that will let you taste every sort of happiness.

CRUSH THE Routine

Indulge in a sophisticated yet a light-hearted community as your hands are taken peacefully by a team specialised in making happiness your new daily routine. Get to disconnect from the chaotic life and reconnect to an endless state of happiness where every member of your beloved family enjoys a daily list of life leisures prepared by the happiness experts. So, you lay your back knowing that everyone is in a world drawn by their own hands.

HORIZONS**

LET'S Daydream!

D.O.S.E OF HAPPINESS

When we say services, expect the very best because we do not just give you a bunch of plagiarised facilities unpurposely, but we rather carve your needs and preferences in the form of zones to fulfil your daily necessities and dreamy fantasies.

CHARACTERIZED

Qualities

Our study of you highlighted what you miss the most, what cheers you up, and makes your days countable. And we're here to let you flow among a place full of joy and interest, with the biggest problem being what to do on any given day in a joyful land of fun.

ALL INCLUSIVE
TASTE INFUSED WITH

Luxury

ALL INCLUSIVE

For that beloved mommy, dropping your duties behind is what we find our joy at. We took away your food hassle and infused your journey with exceptional culinary delight, as we gift you All-inclusive service for the very first time in Sahel. Spoil yourself with exceptional service saturated with richie Dopamine levels.

A feminine

KINGDOM

PINK POOL

In a restriction-free lady realm, imagine yourself lying down in your favourite swimsuit, feeling those warm sun rays slipping onto your skin. Not having to drive long ways or sacrifice your comfort for a moment of pleasure. We guarantee you a secured sun bath complemented with a cool dip in crystal waters that will boost your Endorphins.

THE Happiness

ALLUREMENT

CAVE POOL

Under clear skies will not only be your favourite spot but also where your body and soul will flourish, as soon as you step into our enchanting cave pool holding hands with your partner. Saturate your affection and warm feelings as we prepare you for a fully set zone on top of any noise and feel your Oxytocin levels reaching sky limits.

SOCIAL AVENUE

An entire venue available all summer long to gather souls that feed on communication and think alike. Whether you're fond of fashion, sports, or handcrafting, literally any activity of your choice can be taken to the level of a social event to intensify your Oxytocin to the full.

YOUR

Health

COMES FIRST

MEDICAL CENTER

Because your family and your health are our first priority, we couldn't let you have a vacation that might hold any complications. We ensured a medical centre among our compound to guarantee that you feel taken care of throughout your entire stay along with your family.

A large, vibrant red splatter or ink blotch serves as the background for the central text. The splatter is irregular and energetic, with many fine droplets and streaks radiating from a central point, creating a sense of movement and intensity. The word 'Unleash' is written in a bold, black, cursive script that overlaps with the red splatter.

You can go from wall climbing to air riding in a matter of seconds and spend a summer to remember.

A Hand

OF CARE

KIDS ACADEMY

We understand how hard it is to find activities that suit your kids and burn off their energy, especially in Sahel. That was our motive to create our kids' academy, a planet of fun where they enjoy playing while secretly learning new things, a world that embraces and tracks their growth process and enhances their skills while boosting their Serotonin and Endorphins.

YOUR DOOR TO A

Wild Life

KIDS SAFARI

We will always make sure that your kids stay in a world of their own choice where they can indulge in fun activities and wild settings in safe hands. Leave your lovelies on a camping trip where all they need is the right gear. Let them have some sort of learning, sweet memories, and push their Serotonin and Endorphins to the max!

ILLUSIONS BY THE

Seashore

CIRCUS

For those who love fantasy, magic, sink into its mystical colours and breath-taking performances. We will make every day a new mystery, bringing the best of the worldly known circus shows, performing different themes and bizarre arts that will take your Dopamine levels to happiness and beyond.
