WELCOME TO

Welcome to O West, Orascom Development's latest addition to its towns portfolio. Nestled in the heart of West Cairo, O West is set to rise as a beacon of integrated living. Envisioned as a complete sensory experience, full of energy and playing differently to everyone, from shops to restaurants, sports and social club to common spaces, this place offers an experience you can taste, touch, smell, hear, see and, more importantly, feel. It is constantly evolving and changing, adapting and growing. Like an ecosystem, everything within O West is intelligently and harmoniously designed to offer a true wholesome town experience.

Imagine living in that place where everything has a story to tell. An origin that is so distinctive and very special. O West is opening its door to make you delve into the little details.

Experience life, as it should be... *because life, is in the details.*

MASTERPLAN

O West is set over an area of 1,007 acres and designed by HOK, one of the world's largest, most renowned and highly acclaimed architectural design firms. Founded in 1955 in St Louis, Missouri, HOK is responsible for a multitude of prestigious projects including the NASA Space Museum (Washington DC, USA), Apple Inc's Research & Development Campus (Cupertino, California, USA) and the Tokyo Telecom Center (Tokyo, Japan).

HOK's vision for O West's masterplan provides balanced and unique neighborhood meticulously conceptualized into the fabric of the natural attributes of the site. Through the use of 'Green Fingers', meandering green spaces that span the development, the outdoor spaces and picturesque views facilitate the core vision of social interaction in a community-focused urban environment.

The O West site boasts incredible natural topography that facilitates the integration of a civic spine along the direction of the prevailing winds to provide natural cooling. This "high street" is a pedestrian-friendly access from the North to the South of the project. A journey by bicycle or on foot through the phases of O West will be a safe, accessible and enjoyable experience in a breathtaking urban environment.

LANDSCAPE

O West landscaping is designed by EDSA, a world leader in the field with a core competency of creating passionate, distinctive, innovative and captivating environments. Headquartered in Florida, EDSA was founded in 1960 and has a global portfolio of over 500 projects spanning 100 countries including the Dubai Opera House, the PepsiCo World Headquarters in New York and the award-winning Four Seasons Resort Orlando at Walt Disney World, Florida.

EDSA's enduring appeal is vividly illustrated by their evergreen landscaping concept, creating meandering trails that engage pedestrians and establish a spontaneous relationship between residents and the open spaces, strengthening community interaction and celebrating the outdoors through an interconnected network of walking and cycling paths, enclosed by meticulously handpicked greenery.
