ABOUT KHALED SABRY HOLDING

Founded in 2008 by Engineer Khaled Sabry with a pioneering vision to transform the face of quality construction in Egypt, Khaled Sabry Holding is a leading main contractor that has successfully fulfilled the needs of diverse clients in varied fields, thanks to unmatched quality works, powered by more than 13 years of expertise where customer satisfaction always comes first.

In 2010, the company got registered with the Egyptian Federation of Construction and Building Contracting to leave its iconic mark on a wide portfolio of integrated works, spanning state of the art buildings and concrete, as well as quality water stations and reliable networks across different locations.

Today, Khaled Sabry Holding prides itself for gaining the trust of leading partners in the development field, setting new quality standards with renowned projects including Carrefour Maadi Parking, Cooperative Housing Project and Social Housing projects across the country, in addition to landmark buildings in New Cairo.

With an eye on the future and a commitment to enrich the lives of modern communities, Khaled Sabry Holding is currently setting new benchmarks of excellence in Cairo New Administrative Capital with Mixed-use towers of unparalleled integration
