1 Overview

ROZ Real Estate Development

روز للتطوير العقاري

ROZ is a premier real estate developer committed to delivering exceptional properties defined by quality, integrity, and a truly customer-centric philosophy. Every development is thoughtfully planned around the needs, aspirations, and lifestyles of our clients, ensuring comfort, functionality, and long-term value.

Strategically positioned in carefully selected locations across the UAE, ROZ projects offer residents and investors the advantage of connectivity, accessibility, and community-driven living. We specialize in residential, commercial, and mixed-use developments designed to enhance everyday experiences through refined architecture, efficient layouts, and enduring craftsmanship.

With over a decade of experience in the UAE market, our team of seasoned professionals is dedicated to creating vibrant communities that prioritize quality, sustainability, and client satisfaction at every stage — from concept to completion —

ROZ proudly presents Rose Garden 1, an exceptional living experience in Dubai that reflects our unwavering commitment to prime location, superior quality, and elevated living standards.

Live at the Center of It All

Nestled within the vibrant heart of Jumeirah Garden City, Rose Gardens 1 by ROZ Real Estate Development introduces a refined residential experience designed for dynamic urban living. This distinctive eight-storey mid-rise showcases graceful curved architecture, creating a fluid and contemporary presence that stands out with understated elegance.

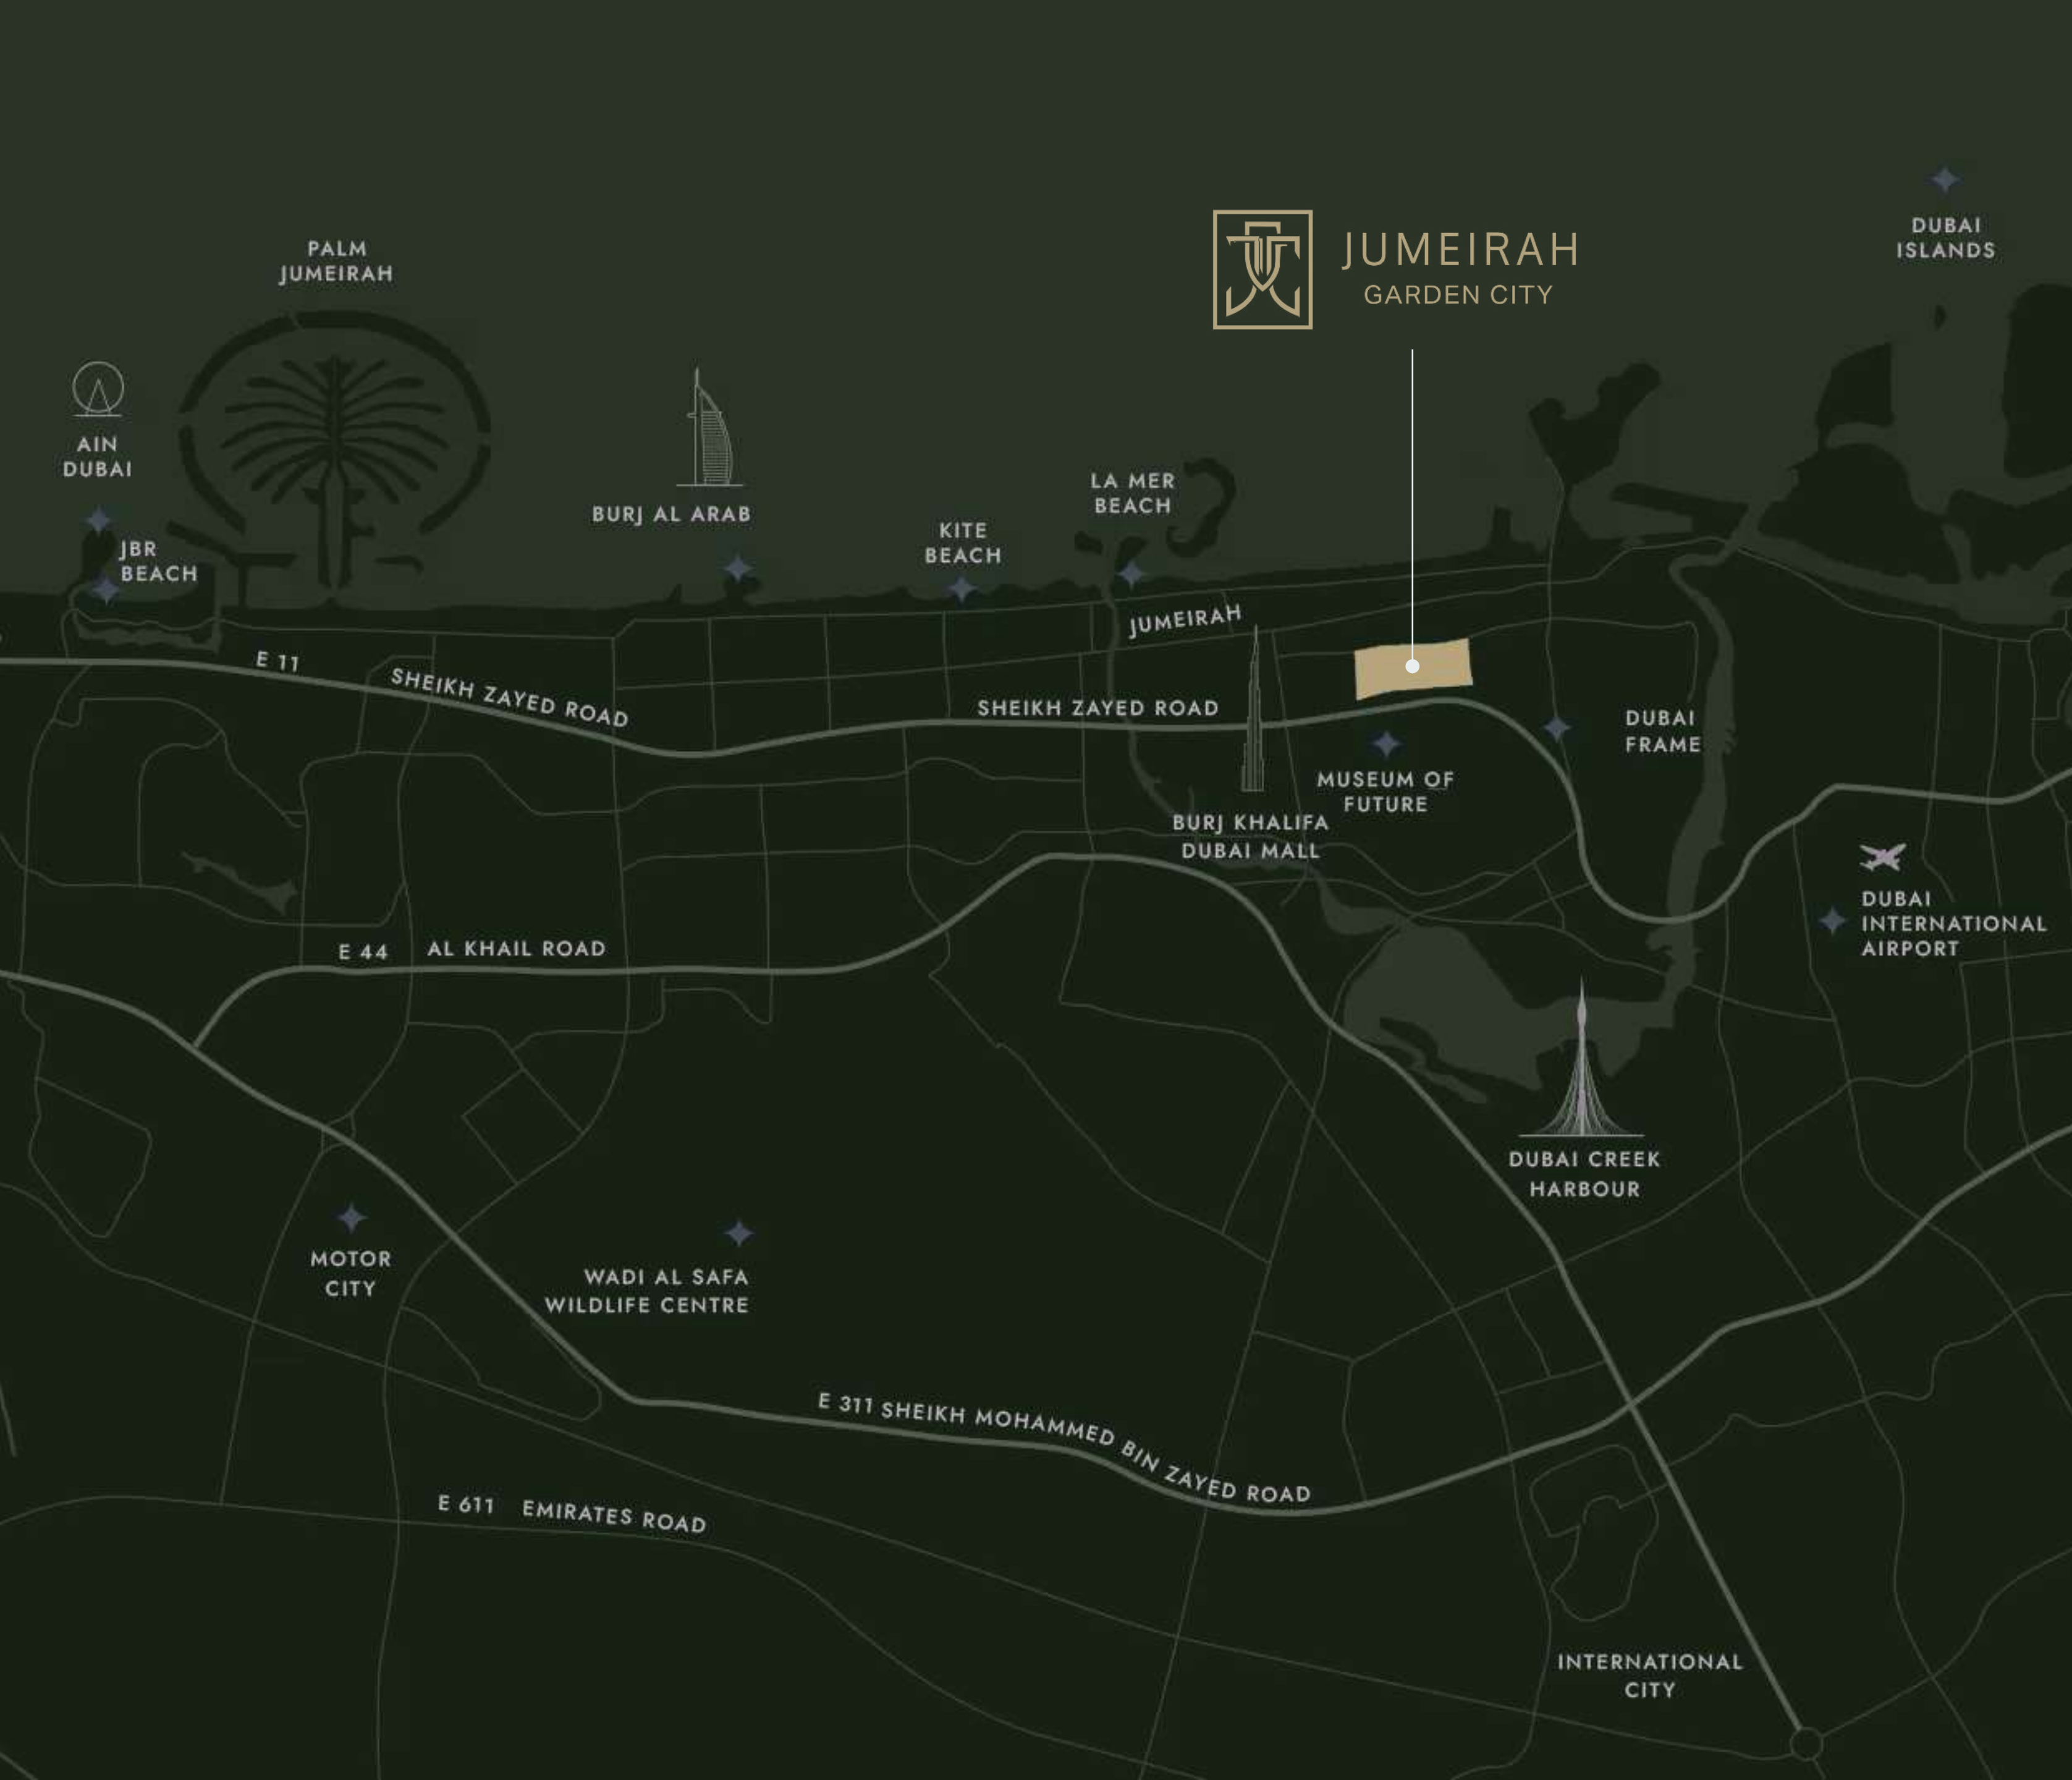

Perfectly positioned in central Dubai, the development offers seamless connectivity to key destinations, business districts, and lifestyle attractions — making it ideal for those who value accessibility and an active city rhythm.

Rose Gardens 1 features thoughtfully planned studio, one-, and two-bedroom residences, each crafted with efficient layouts and premium finishes to ensure comfort, functionality, and timeless appeal. Complemented by a curated selection of amenities, including a swimming pool and a fully equipped health club, the project fosters a balanced lifestyle where wellness, convenience, and modern elegance converge.

ROSE GARDENS I

is designed for those who seek to live actively, comfortably, and exceptionally — every single day.

The master plan of Jumeirah Garden City represents one of Dubai's most ambitious urban regeneration initiatives, reimagining a 9-million-square-metre district into a vibrant, sustainable mixed-use community. Strategically located north of Sheikh Zayed Road, between Diyafa Street and Safa Park, the development is designed to accommodate 50,000 to 60,000 residents within an integrated network of residential, commercial, retail, & hospitality components.

Envisioned as a landmark redevelopment led by Meraas, Jumeirah Garden City prioritizes sustainability, walkability, and connectivity. The master plan incorporates expansive green spaces, a central park, pedestrian-friendly boulevards, & a comprehensive public transport network, creating a balanced environment where urban energy meets community-focused living.

Designed to set new benchmarks for sustainable urban planning in Dubai, Jumeirah Garden City reflects a long-term vision for resilient growth, lifestyle convenience, and elevated living standards.
