

RADIANT BRIDGES

A Development By

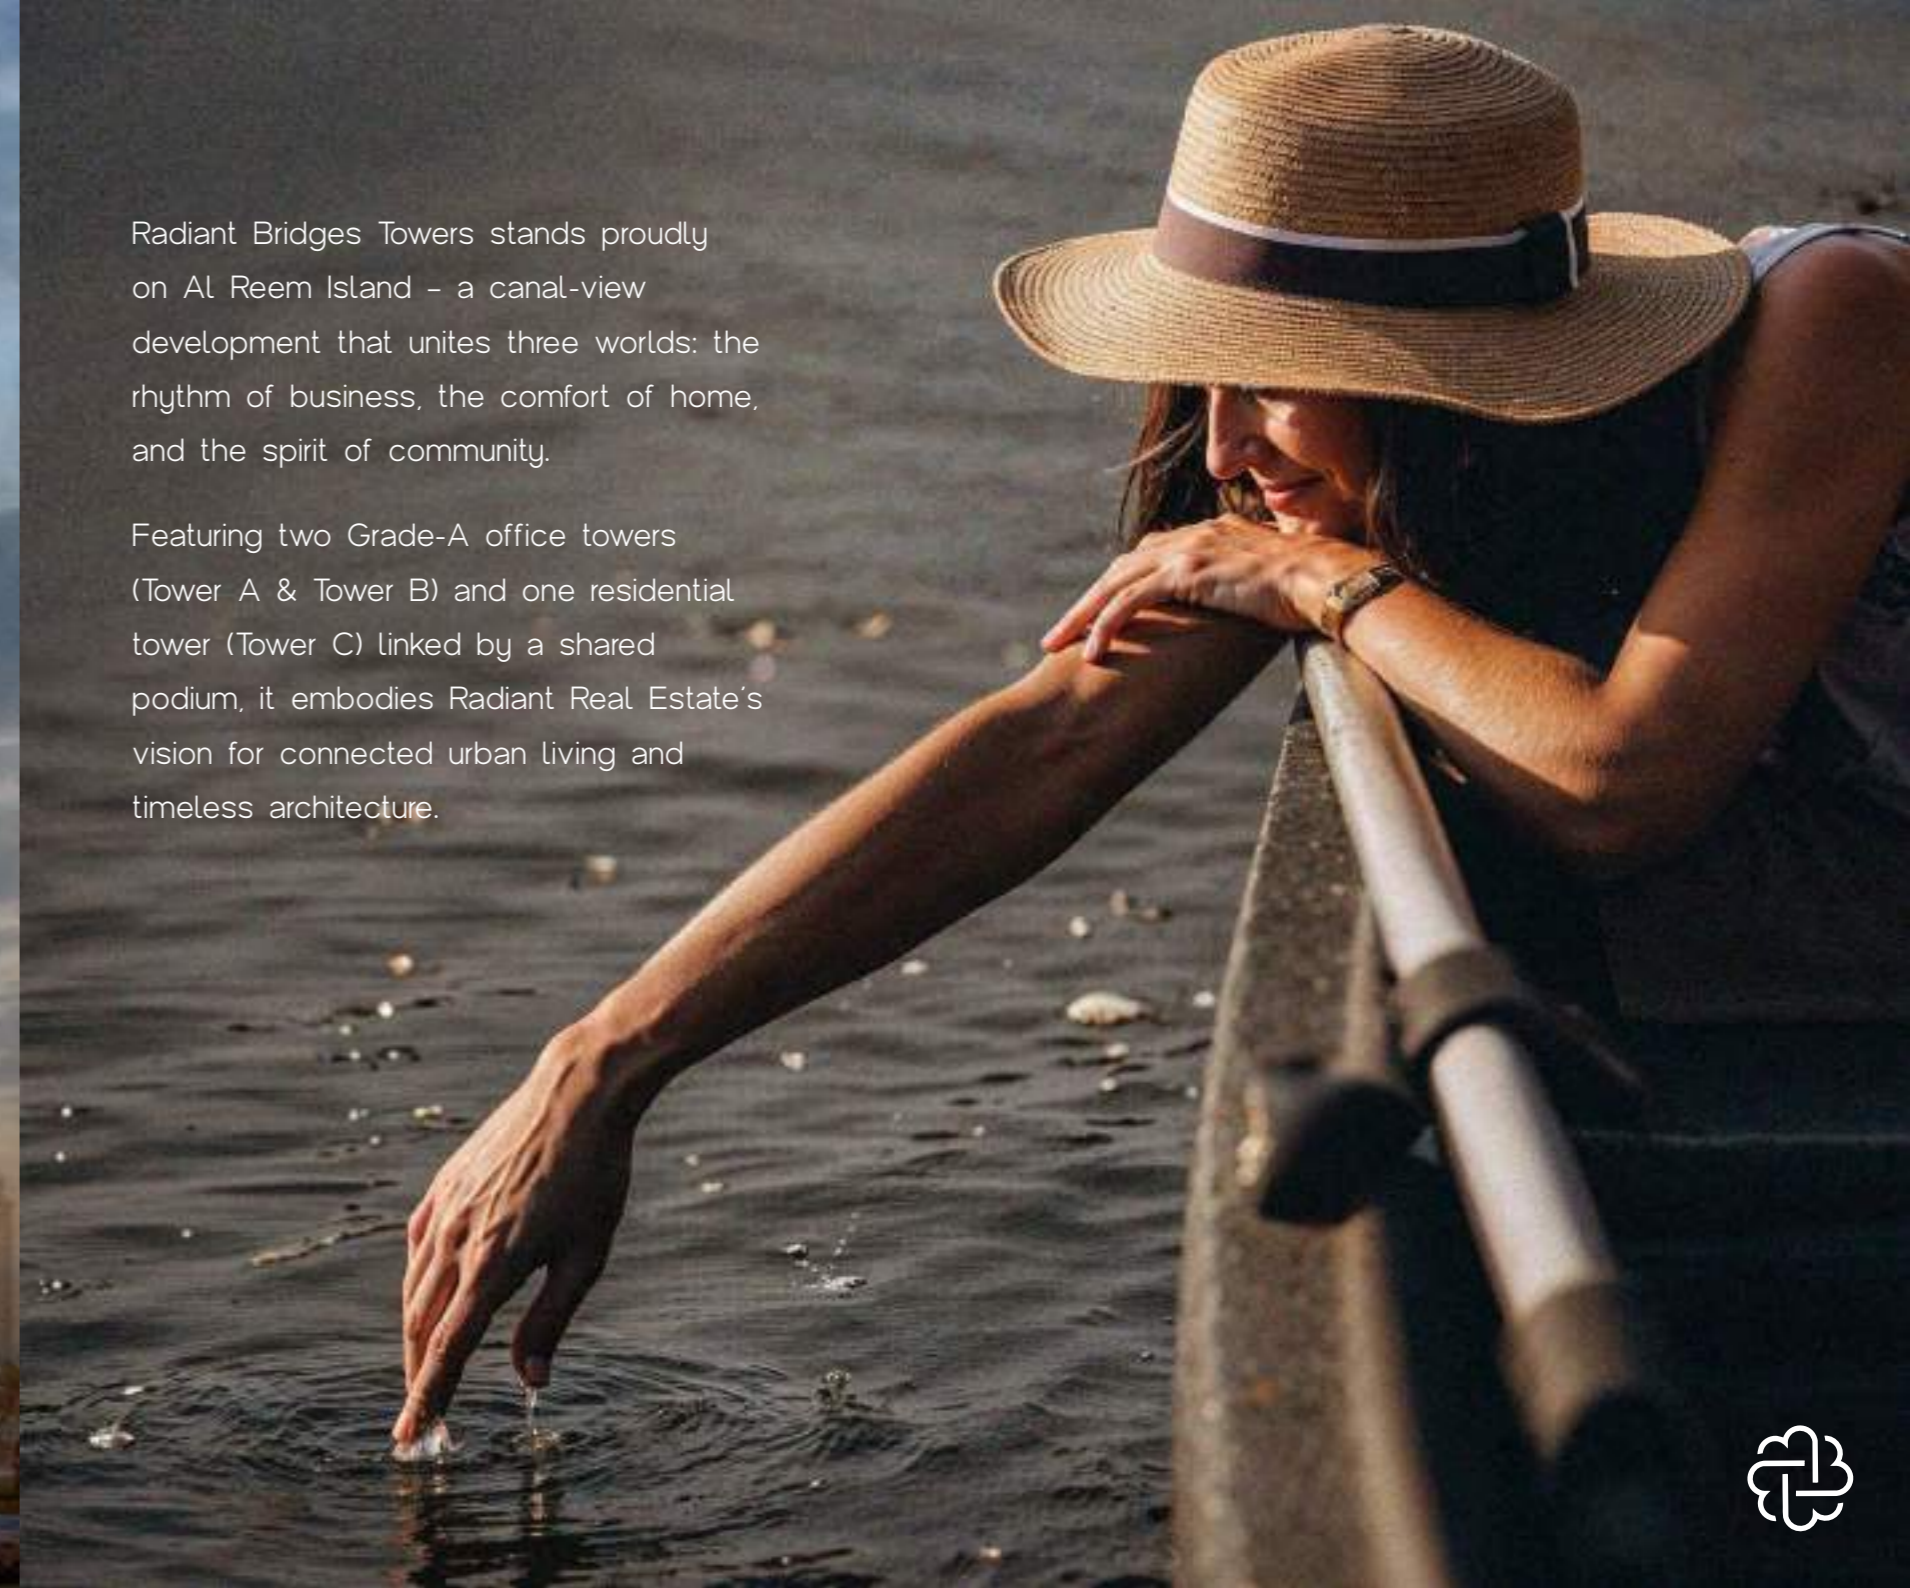

Bridging Work, Life,
and Community

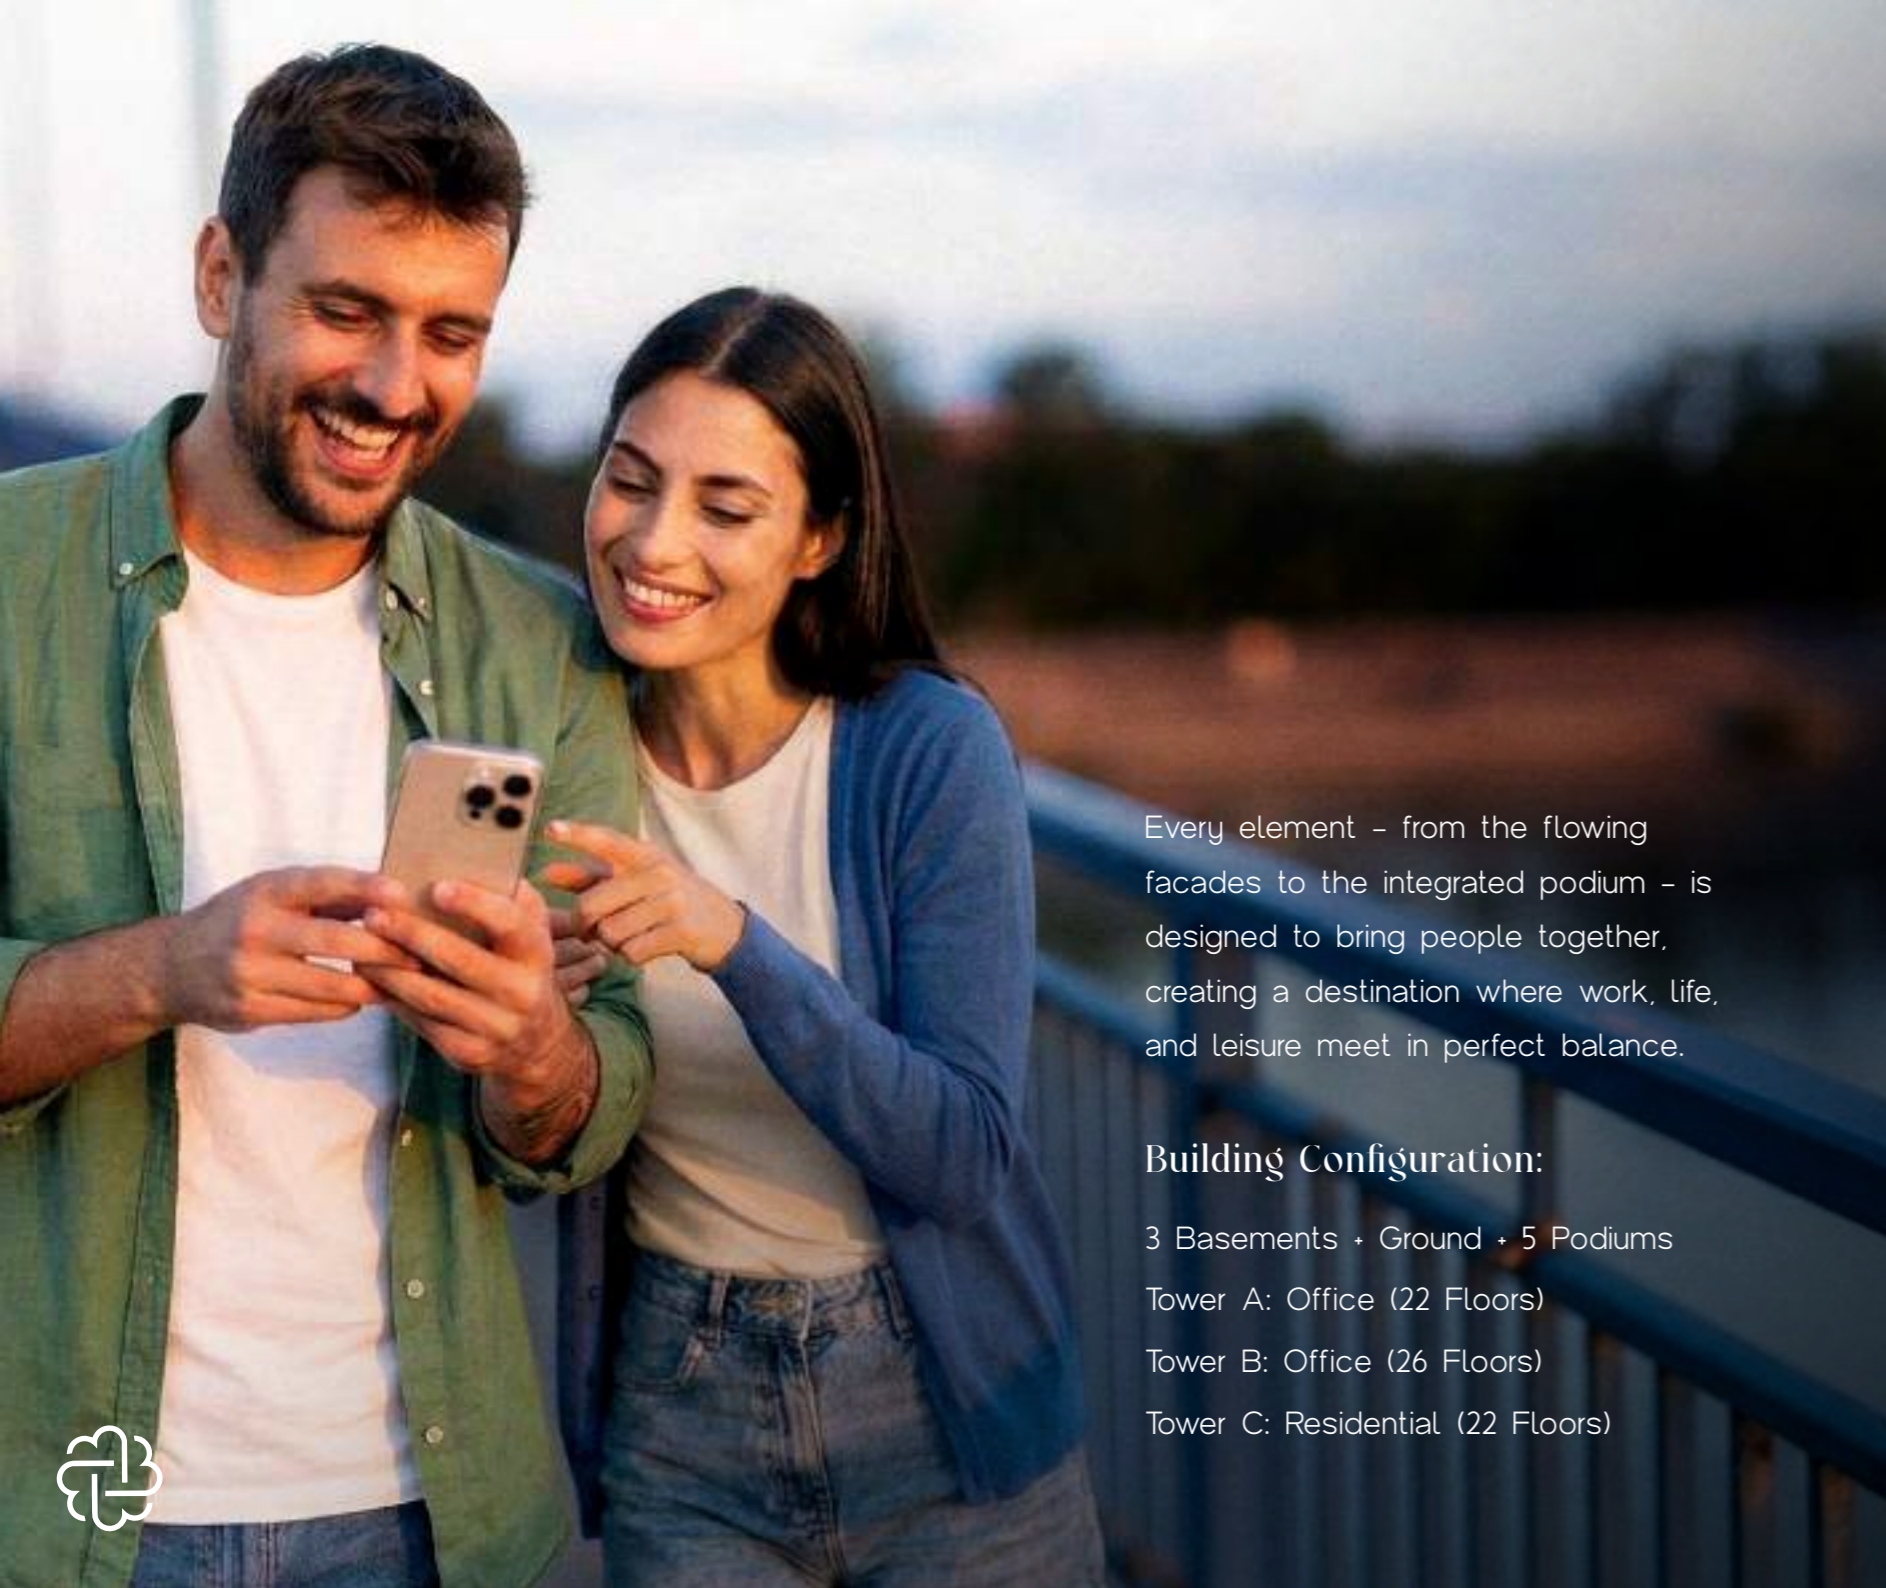

Radiant Bridges
Bridging Work, Life,
and Community

Radiant Bridges Towers stands proudly on Al Reem Island – a canal-view development that unites three worlds: the rhythm of business, the comfort of home, and the spirit of community.

Featuring two Grade-A office towers (Tower A & Tower B) and one residential tower (Tower C) linked by a shared podium, it embodies Radiant Real Estate's vision for connected urban living and timeless architecture.

Every element – from the flowing facades to the integrated podium – is designed to bring people together, creating a destination where work, life, and leisure meet in perfect balance.

Building Configuration:

3 Basements + Ground + 5 Podiums

Tower A: Office (22 Floors)

Tower B: Office (26 Floors)

Tower C: Residential (22 Floors)
