

THE CADEN

INVESTMENT GUIDE

BETWEEN THE CITY
AND THE SILENCE

A RHYTHM OF REFINED LIVING

The Caden stands at the point where the energy of the city meets the calm of nature. Its contemporary architecture opens to tranquil lagoon views, while refined interiors offer intelligent comfort. It is a home that feels connected and composed, where the city is close, and serenity is always within reach.

Designed with intention, The Caden brings together natural light, thoughtful details, and warm materials to create homes that feel both modern and enduring. Spacious layouts and purposeful design make every space feel complete.

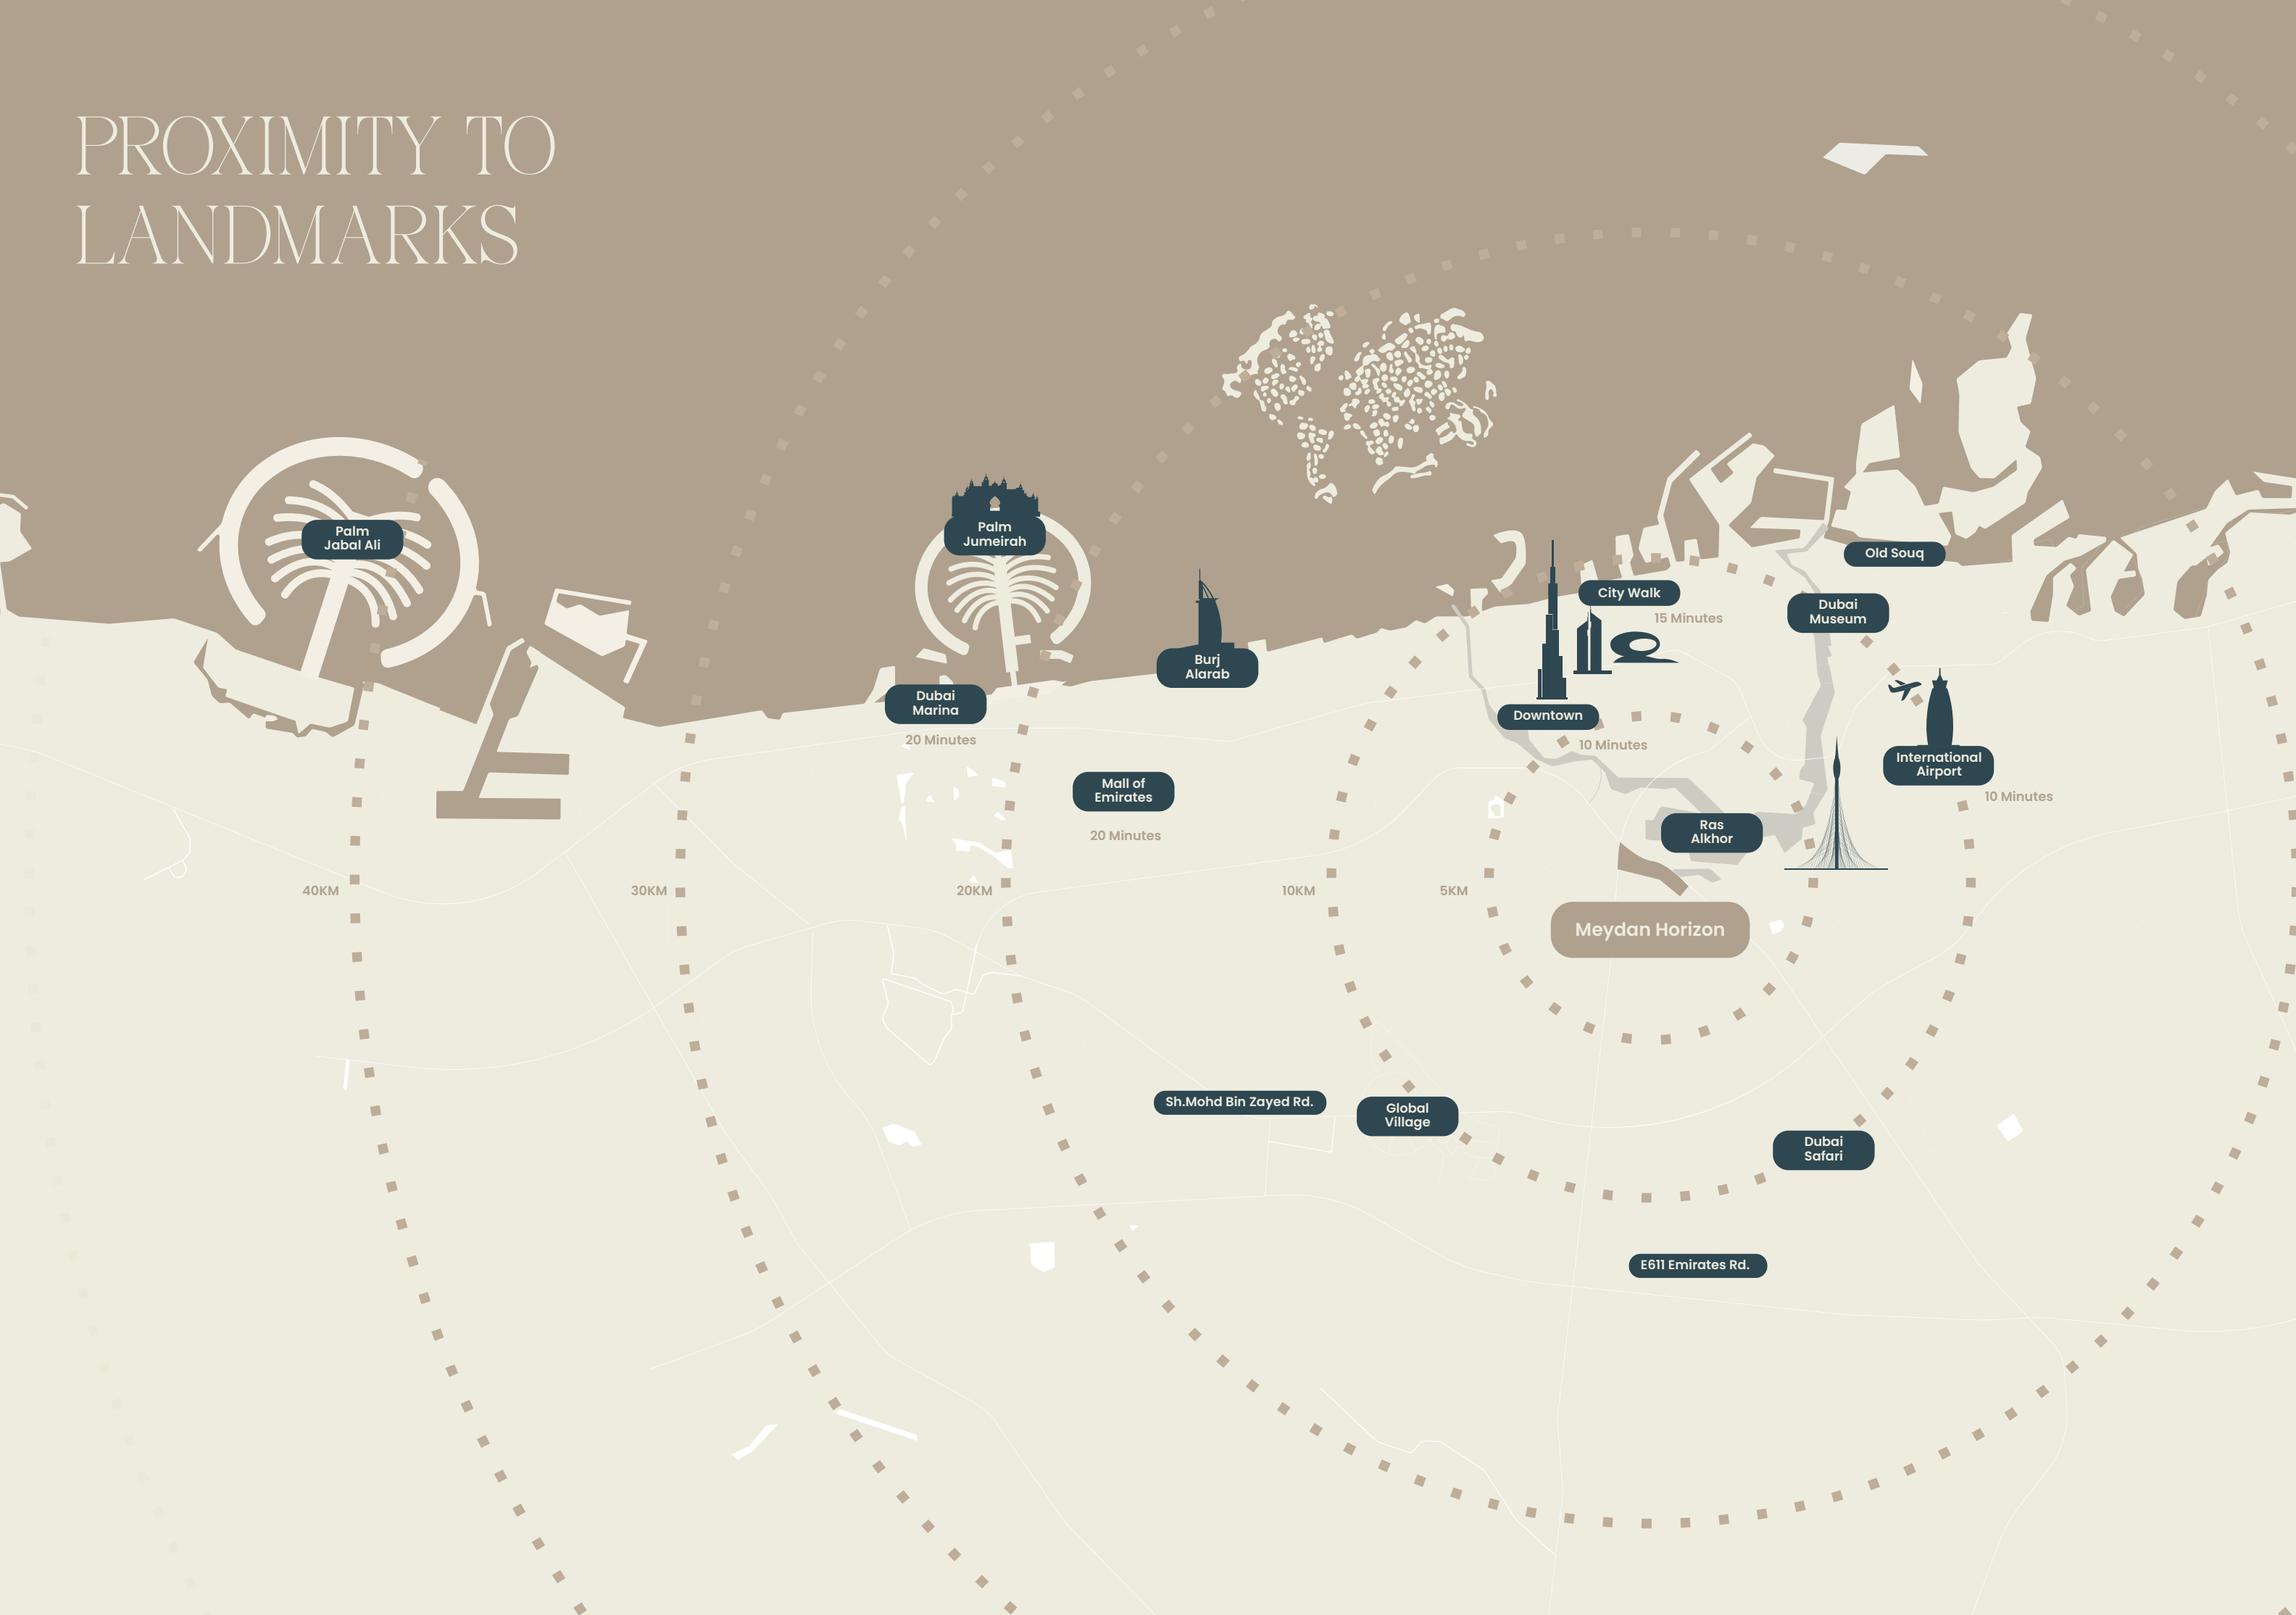

MEYDAN HORIZON A FUTURE FORWARD MASTER COMMUNITY

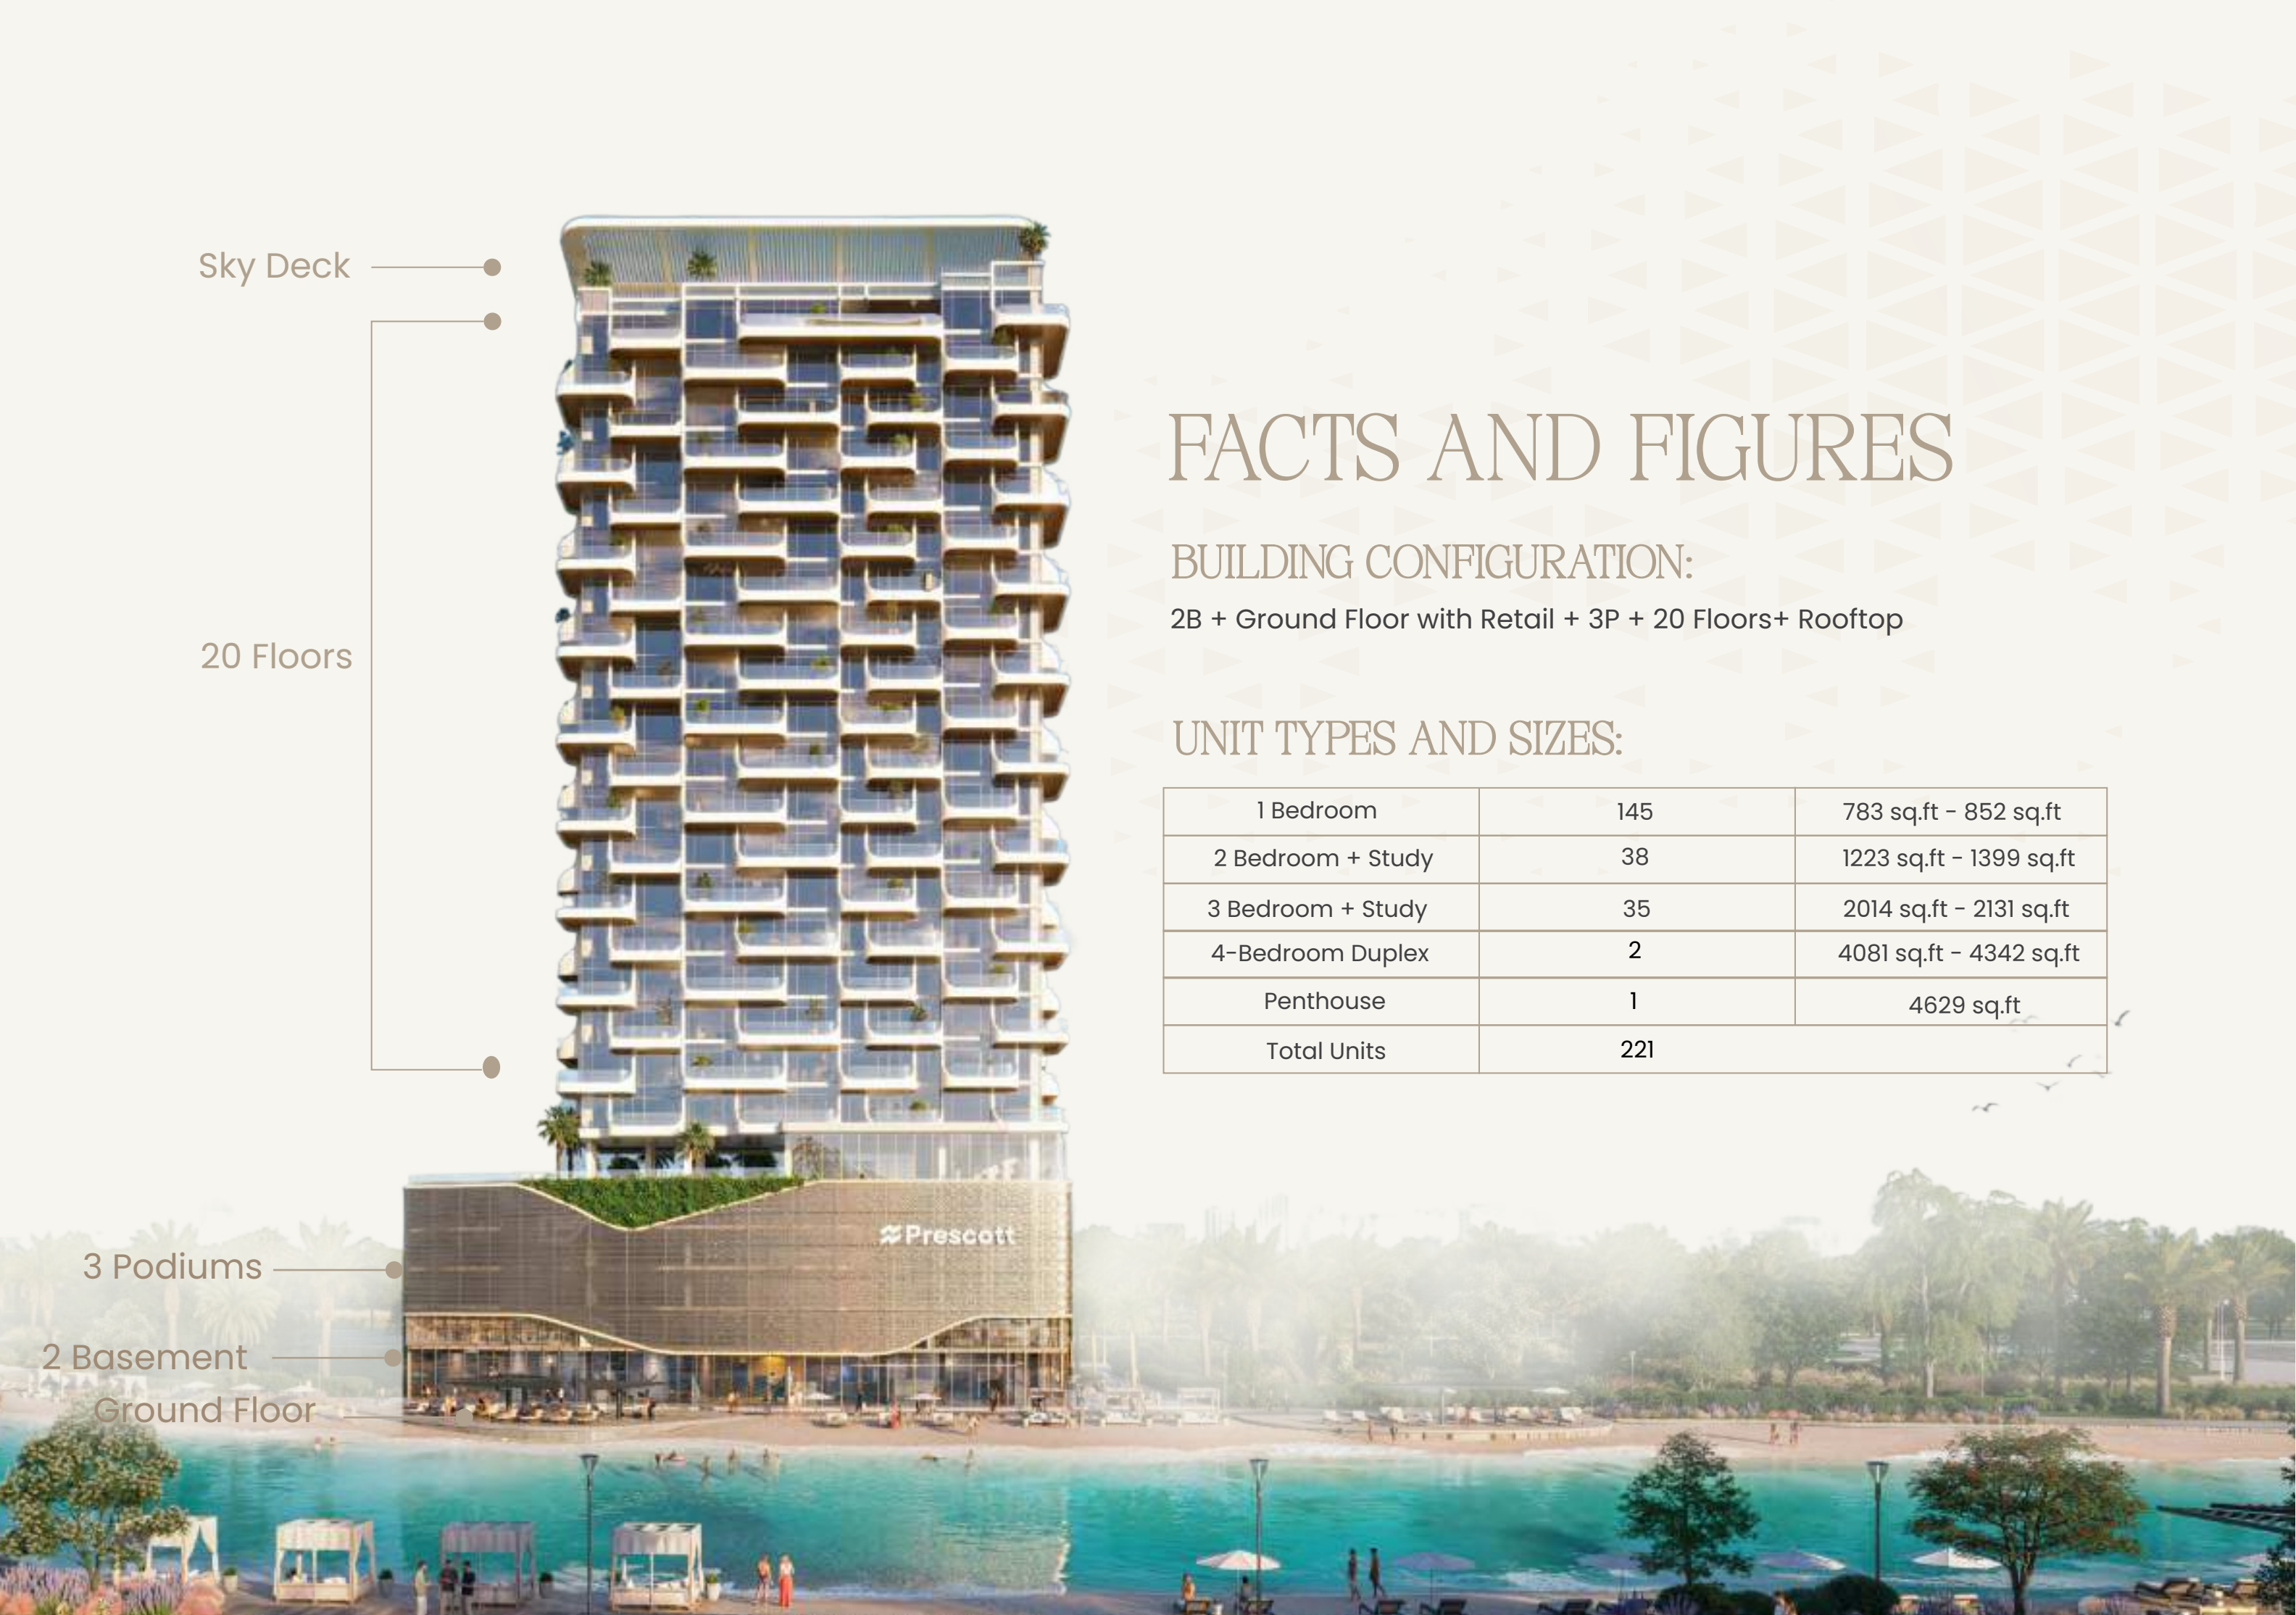

Meydan Horizon is a landmark master-planned community within Mohammed Bin Rashid City, just minutes from Downtown Dubai and Business Bay. Designed around wellbeing, sustainability, and intelligent urban planning, Meydan Horizon brings together crystal-lagoon living, green boulevards, retail promenades, and walkable public spaces.

Led by Nakheel, one of Dubai's most established master developers, it is envisioned as the next premium lifestyle district where nature, architecture, and connectivity exist in balance.
