THE LOBBY

The lobby is a masterpiece of modern design, blending sleek lines with rich materials like warm wood and dark marble. This sophisticated space exudes elegance and luxury, creating an immediate sense of refinement for residents and guests upon arrival. Its contemporary aesthetic is both striking and inviting, setting the perfect tone for the elevated living experience within.

RESIDENTS LOUNGE

The outdoor residents lounge is a serene retreat designed with a chic boho aesthetic, offering ample seating that overlooks the pool and kids' play area. Perfect for relaxing or socializing with friends, it provides a tranquil escape where residents can unwind in style.

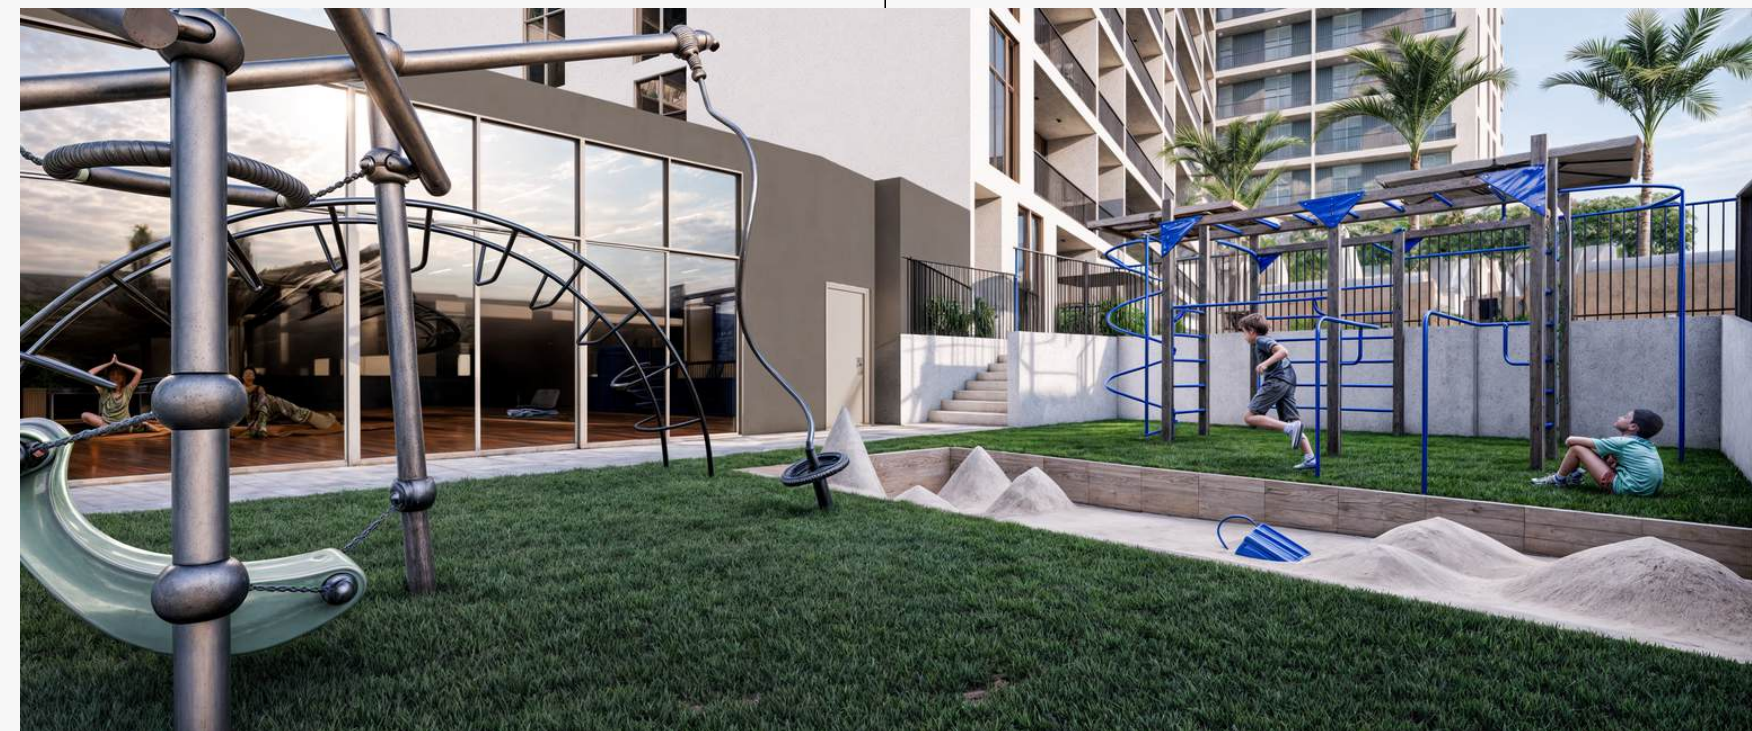

SWIMMING POOL

The swimming pool is a spacious, resort-inspired oasis designed to impress. Surrounded by a lush garden structure, it offers a tranquil escape that feels like a luxury getaway. The pool features an elegant waterfall and in-water sun loungers, creating the perfect blend of relaxation and style.

OUTDOOR KIDS AREA

The outdoor kids' area is thoughtfully designed to cater to children of all ages, featuring monkey bars, climbing structures, a sandpit, a slide, and more. Located conveniently next to the residents' lounge, it allows parents to relax while keeping an eye on their little ones.

FITNESS CLUB

Our Fitness Club offers a spacious, state-of-the-art gym equipped with premium-quality machines for strength training and cardio workouts. Designed with a sleek, dark ambiance reminiscent of high-end boutique gyms, it provides residents with an inspiring and modern environment to stay active and achieve their fitness goals.

MULTI-PURPOSE HALL

The multi-purpose hall is a versatile space available to all residents, easily bookable through building management. Designed to adapt to various needs, it's perfect for hosting gatherings, fitness classes such as yoga or Pilates, kids' activities, and more. This flexible area enhances community living by providing a convenient venue for both social and recreational events.
