

A PROJECT BY
AZ DEVELOPMENTS

clavel

*“The Luxurious Life You’ve
Always Wished For”*

Our story

The Project is developed by AZ Developments. Since 1991 the company have been in the Egyptian market as project consultants. And by merging between the academic studies and field experience we've done more than a thousand project all over Egypt. Working in the The New Administrative Capital , Noth Coast, Ain Sokhna, New Cairo & Sheikh Zayed .

The Natural Law is a prominent scientific journal that covers a wide range of research in the natural sciences. And our vision is built and develop our projects with a natural innovative vision by introducing eco- friendly and sustaianble architecture in our work to match the modern innovative global vision

..... So we decided to drop In the heart of new zayed city (Green Belt New Zayed) CLAVEL ZAYED PROJECT .The project covers an area of 5.2 acres. Contains overall 30 unit on only 25% of land as twin, town & stand alone villas to offer a quite private luxurious lifestyle . The rest 75% of land contains several life facilities through green eco-friendly areas divided into meditation and kids areas, Outdoor gym and crossfit area. Water fountain and green areas .

Design Perspective

The aim is to reach the highest level of privacy. With a high end luxurious lifestyle experience. We designed this project for your own joy & safety by finding yourself surrounded by a familiar yet exceptional high community that allows you to build a prosperous, joyful & safe future .

The project is designed simple lined yet luxurious classic themed design. It's done with a exceptional eye-loving color scheme surrounded by marvelous wide green spaces with water features & fountains to reach a whole new high classic level .

Our Location

The project is located in NEW ZAYED CITY In the first gate of the green belt of sheikh zayed city. Located in the middle of all the life facilities the user need like Malls, Universities, Airport & most importantly near to the main roads to transport easily to downtown cairo .

- 3mins Away From Waslet Dahshour Rd.
- 6mins Away From Juhayna Sq.
- 6mins Away From Mall Of Arabia
- 12mins Away From Mall Of Egypt
- 12mins Away From Sphinx International Airport

Masterplan & Facilities

The project contains 72 luxurious units divided into stand alone, twin & town units designed with a simple luxurious classic design lines to match the modern days themes and offer to the residents a luxurious lifestyle experience

..... With several life facilities like a Club House, gathering, kids, barbecue & meditation areas. It also contains walking & bicycle tracks, water stream & fountain & a outdoor gym and crossfit area . All these facilities are For Only 72 Families To Use .
